WINE

St Austell Wines remains the oldest arm of our business. In 1851, Walter Hicks began wholesaling wines and spirits from a small shop front in St Austell's historic Church Street. His great-grandson Tim Harvey would expand the wine division significantly when he joined the company in 1948.

Today, our team remains just as enthusiastic and engaged in continuing to build an enviable wine portfolio, making the best quality wine available to people across the country. Within this list, we've included a selection of our favourite drops, from White Red and Rose to Sparkling and Fortified.

We hope you enjoy reading and sampling from our list today. If you would like any further information, please ask a member of the team or head to our website.
